VI. GATE FEES	2017	2016
Admission no rides/day	\$5	NA
Admission with rides/day	\$15	\$10
senior admission & rides	NA	\$7
season pass no rides	\$15	NA
Season pass with rides	\$45	\$30
Exhibitors pass no rides	\$10	NA
Exhibitors pass with rides	\$30	\$25

Other thoughts: 2 and under free ; 5 and under free
 active duty armed service personal free
 Sunday all admission \$5 with rides

We need to make at least \$40,000 on an attendance of 6,000 for the fair. Attendance break down Thur. 900; Friday 1,800; Saturday 2,200; Sunday 1,200. In 2016 on Saturday about 40% of admission had wrist bands to ride. If all 6,000 pay \$5 that would be \$30,000, if 25% ride the rides that would be \$15,000, but wouldn't pay for the carnival (\$22,000) if 30% rode the rides that would be \$18,000; if 35% rode the rides that would be \$21,000; if 40% rode the rides that would be \$24,000. We need to consider we give discounts on many admissions.

One \$15 pass free to each school exhibitor. Hopefully that will bring Mom & Dad @ \$5 each and bring people to the Fair who may not come at all. We should make this offer well known to all the schools in the County.

VII. Meeting of representatives to state convention
