FIRST TIME EXHIBITORS

We are thrilled that you are interested in exhibiting at the Price County Fair. If this is your first time exhibiting, please read through the following and reach out if you have any questions.

1. Look through the Fair Premium Book to classify the item or items you wish to exhibit. For example, you think the cucumbers you planted in your garden should be really nice by the time of the fair or you took some photos you'd like to enter.
2. Determine the Department of the item, which in the case of cucumbers would be Dept. 114 – Plants and Soil Sciences in the Open Class section of the Premium. Remember that only 4-H members, scouts & youth organizations can exhibit under the Junior Division section of the premium book, all others must use Open Class.
3. Now determine the Class of the item – in the case of the cucumbers, it would be Class A – Vegetables Class, Plate Exhibit.
4. Next determine the Lot of the item – cucumbers would be any of lots 16 or 17 depending on the type of cucumbers that you planted. Let's say that the ones you planted are the regular ones that we purchase in the stores, so they would be Lot 17 – Cucumbers for slicing. If you look at the number right after the words Cucumbers for slicing, you will notice there is a number 6; that is the number of cucumbers you would need for your exhibit.
5. Continue looking through the Fair Premium Book and making a list of all things you'd like to enter.
6. When you are ready, go to <http://PriceCountyFair.fairentry.com> or <http://www.fairentry.com> then "Find your Fair" & search "Price". Directions for entering your Fair Entries can be found on pages 5 and 6.
7. If you do not have a computer and/or are unable to use Fair Entry, please reach out to the Price County Fair Secretary/Treasurer at 608-387-2670 and they will help you get everything entered.
8. On page 4 you will find the fees noted for each exhibitor type. (The numbers that are listed above the items you are exhibiting are for the premiums that you would receive if you are awarded a first, second, third or fourth place for your exhibit.) If you wish to purchase a season pass or need a stall for animals, the fees are listed and your payment should be included with the Exhibitor Fee, which can be paid on-line through Fair Entry and/or sent to the Price County Fair Association, INC, P.O. Box 123, Phillips, WI 54555.
9. Entry tags will be available Monday of Fair Week at the Price County Fair Office from 10am until Entry Day. All entries should be brought on Entry Day, which is Wednesday of the Fair Week, to the fairgrounds between 3:00 p.m. and 7:00 p.m.
10. After you obtain your tags, please secure the tag to the item and take your item or items to the check-in table, where volunteers will help you check all items in. You will then take the items to the appropriate Department, identified by signs. The top part of the tag is attached to the entries and the bottom part of the tag you keep to claim your item at Exhibit Release on Sunday. If you happen to enter baked goods, please be sure to enclose your items in plastic bags before you bring them from home for sanitary purposes!
11. Now all you have to do is work on your entries and wait for judging. Should you be awarded placing, let's say your cucumbers received a second place from the judge, you would receive a red ribbon or second place sticker and sometime after the Fair, you would receive a premium check. If you look back at the premium book under the Class section you will see a set of 4 numbers indicating the premiums that will be paid for each placement of your items, should you receive anything from the judge from first to fourth place.
12. If you have any questions, please don't hesitate to contact the Price County Fair Association at pricecountyfair@yahoo.com. We wish you the very best of luck!!

Creating Entries:

1. Each exhibitor can have multiple entries. If an exhibitor is showing one horse in five events, five class entries must be created. Once all entries have been created for the first exhibitor, you have the choice of creating another exhibitor in this family (& entries) or proceeding to check-out (submitting the entries) ****CLUB ENTRIES: To make a "club" entry-Leaders should enter the "club" as an exhibitor under their accounts. Put the name of the club as the first/last name (if 4H, use "4-H Club" as the last name). Then make the entries for the club under that "exhibitor."
2. Click "Add an Entry" beside the correct exhibitor (if more than one has been created).
3. Click "Select" beside the first department you wish to enter. Any departments that are not available for entry will be noted as "Not Available" with a short explanation.

5. If this is an animal class entry, you may be required to specify which animal will be exhibited in this class; that may be optional; or you may NOT be able to specify the animal at entry time. If you can, you will see the option to "Add an animal."
6. Fill in all the fields with information about the animal you intend to exhibit. Click "Create & Add Animal" when finished.
7. If the animal information was entered incorrectly, you have the option to either Remove from Entry (creating a new animal) or Edit Animal Details. When it is correct, click "Continue".
8. Any questions or file uploads related to entry in this class will be next. Click "Continue" after answering those questions or uploading documents. We do realize some required documents will not be available right away. In that case, please upload a stand-in document that states "document will be uploaded when available".
9. The Review screen allows you to double check this entry for accuracy & make any changes necessary. When the information is correct, click "Continue" & that class entry is complete.
10. When each class entry is complete, you have 3 choices for what to do next:
 - a. If all class entries have been completed for one exhibitor, you can Register another Exhibitor in this family.
 - b. If this exhibitor has more class entries to make, you can Add another Entry for this Exhibitor.

(b) Except as provided under par. (c), the department may not pay state aid for a fair having split dates unless the department gives advance written approval for a split fair. The department may approve split dates based on hardship.

ATCP 160.03 Exhibition requirements. A fair shall meet all of the exhibition requirements of this section to be eligible for state premium aid.

- (2) State aid may not be approved for out-of-state exhibits or for separate classes of local and non-local exhibitors. Aid may not be approved for payment of premiums to an exhibitor having an out-of-state address but claiming Wisconsin residency unless the fair secretary provides the department with an affidavit that the exhibitor's residence is geographically located within the state.
- (3) State aid may be paid only on articles or animals actually on display in an exhibit building or actually shown in the show ring on regular fair dates unless approval for split fair dates is obtained under s. ATCP 160.02 (4). State aid may not be paid on Dairy Herd Improvement Association records, transportation aid, production contests or other special educational exhibits unless prior approval is obtained under s. ATCP 160.49 (7).
- (4) State aid may not be paid on exhibits removed from the fairgrounds before 4 p.m. on the last day of the fair, or such other later time as may be specified by the fair, without prior approval of the department. Authority for earlier removal may be granted by the department in case of meat animal sales or other special classes, if requested before the beginning of the fair. In other hardship cases, approval may be granted by the fair. Exhibits in dog obedience and small animal pet classes may be judged during the regular fair but are not required to remain present during the entire fair. The fair may prescribe the length of time junior fair exhibitors of horses shall keep their animal on the ground.
