

PRICE COUNTY FAIR ASSOCIATION

SEPTIC PUMPING CONTRACT

JULY 1, 2017 TO JUNE 30, 2018

As manager of the Price County Fairgrounds, Price County Fair Association (PCFA) is soliciting bids for providing septic service, to include hand wash stations and portable toilets for the Fair. Successful bidder will also be called to maintain septic tanks for all events throughout the year, to ensure consistent management of a fixed asset to the Price County Fairgrounds. Calls of other events throughout the year, besides the five day fair, would be at the provider's normal fee and not included in this bid.

_____ agrees to:

- Provide specific management and pumping services for four holding tanks at Price County fairgrounds for the five-day Price County Fair.
- Provide _____ portable toilets.
- Provide _____ hand wash stations.
- Monitor the four holding tanks several times daily during the five day fair, beginning Wednesday, **August 23, 2017, ending Monday, August 28, 2017** ensuring that the tank contents stay below the inlet pipe, taking into consideration peak attendance times at Fair.
- Portable toilets and hand wash stations will be cleaned and stocked with soap and toilet paper.
- Final pumping (probably the Monday after the fair) the tanks will be left ½ full to prevent them from lifting out of the ground during heavy rain or snowmelt.
- Agrees to be available (on call) for PCFA as needed for all other events at Fairgrounds throughout the year. These calls to be charged at provider's normal fee and not included in this bid.
